

# **Community Sponsorship Scoring Categories**

## **1. Alignment with BHT Mission**

**Criteria:**

Proposal clearly connects to community voice, social determinants of health, and community health and wellness.

## **2. Community Reach & Depth**

**Criteria:**

Proposal demonstrates strong reach or deep connection to community members most affected by health disparities and barriers to accessing health or wellness resources.

## **3. Fair Access & Accessibility**

**Criteria:**

The proposal describes how barriers to participation are reduced or addressed (such as cost, transportation, language, accessibility, awareness, etc.).

## **4. Budget Context & Need**

**Criteria:**

The proposal lists organization budget and FTE's

## **5. Geographic Diversity**

**Criteria:**

The proposal serves a geographic area that has been underrepresented in previous funding or helps fill a regional gap.

## **6. Programmatic Balance**

**Criteria:**

The proposal meets a need that hasn't been reflected in previous applications.
